Invitation to Comment on the Draft Distributed Generation Renewable Energy Credits Contract Forms Procurement of Distributed Generation Renewable Energy Credits for the AIC Portfolio and the ComEd Portfolio

Invitation to Comment

On September 27, 2016, the Illinois Power Agency (“IPA”) submitted its 2017 Power Procurement Plan (“2017 Plan”) to the Illinois Commerce Commission (“ICC”) in compliance with Public Act 095-0481 (the “Act”), which includes the Illinois Power Agency Act (“IPA Act”). The ICC approved the 2017 Plan on December 13, 2016. The 2017 Plan provides for the procurement of Renewable Energy Credits (“RECs”) from distributed renewable energy generation devices (“DG”) through a Request for Proposals (“RFP”). In Fall 2017, the RFP will procure DG RECs for the portfolio of Ameren Illinois Company (“AIC”) and the portfolio of Commonwealth Edison Company (“ComEd”).

The applicable supplier contract for the procurement of DG RECs for each of AIC and ComEd are posted to the [Draft Documents](#) page of the Fall Utility DG section of the procurement website.

The Procurement Administrator invites interested parties to submit their comments on all draft contract forms.
