

**ILLINOIS POWER AGENCY
SEPTEMBER 2014 PROCUREMENT EVENTS
STANDARD PRODUCTS RFP
APPENDIX 4: PART 2 FORM**

Pursuant to Illinois Public Act 95-0481, the Illinois Power Agency (“IPA”) filed a Procurement Plan, which provides for purchase of electric supply to serve certain customers of Ameren Illinois Company (“Ameren” or “AIC”) and Commonwealth Edison Company (“ComEd”). Ameren and ComEd are each referred to as a “Company”.

The Part 2 Application consists of the online Part 2 Form, attachments that are uploaded to the application website (or sent to the Procurement Administrator via email), and a Pre-Bid Letter of Credit sent to each Company for which the Bidder intends to submit Bids. Before completing the Part 2 Form for the Standard Products RFP, please review the RFP Rules, the (AIC) Confirmation Agreement and the (ComEd) Master Agreement so that you understand the conditions under which the Standard Products RFP will be conducted. These documents are available on the procurement website, www.ipa-energyrfp.com.

Having submitted a Part 1 Proposal in response to the Standard Products RFP, you have agreed to all the terms and conditions of the RFP.

Any information that you provide in this Part 2 Proposal is provided on a confidential basis to the Procurement Administrator, and may be provided on a confidential basis to the Procurement Monitor, to the Illinois Power Agency (“IPA”), or to the Staff of the Illinois Commerce Commission (“ICC”). Each Company’s representatives receive, review, and evaluate the Pre-Bid Letter of Credit for the Company.

INSTRUCTIONS FOR PROPOSAL

Bidders use the online Part 2 Form and upload required documents to respond to the requirements of the Part 2 Proposal as detailed in the RFP Rules.

The Procurement Administrator evaluates Bids submitted in accordance with the RFP for each Bidder that qualifies pursuant to a successful Part 1 Proposal and that submits a Part 2 Proposal that fulfills all the requirements of the RFP Rules.

Please complete all sections. If a section does not pertain to you, you will be required to check a box and move on to the next section.

I. Part 2 Proposal Submission

A Bidder must:

- Complete the online Part 2 Form in its entirety;
- Submit a Pre-Bid Letter of Credit by overnight delivery service to each Company for which the Bidder intends to submit Bids; and
- Submit **one (1) copy** of all other documents, including Inserts, required to support the Part 2 Form by email to Illinois-RFP@nera.com or by upload to the application website. All inserts are available on the procurement website.

All times are Central Prevailing Times (“CPT”) unless specifically noted.

The online Part 2 Form must be submitted by the Procurement Administrator no later than 12 PM (noon) CPT on September 16, 2014 (the Part 2 Date).

Some of the documents required to support the Part 2 Form are “Inserts”. Each of these Inserts will be available as a separate Word form on the procurement website or from the Procurement Administrator. A Bidder that is required to submit a particular Insert will complete and sign the Word form, scan the completed and signed form, and upload the scanned form to the application website (or send the scanned form to the Procurement Administrator via email). **For illustrative purposes, the Inserts are shown throughout this Part 2 Form in orange boxes.** The format and exact content of the Inserts may differ from the illustrative Inserts provided through this Part 2 Form. **Fields for upload of other documents are designated by a paperclip.**

Inquiries may be directed to the Procurement Administrator through the “Ask a Question” page on the procurement website at www.ipa-energyrfp.com.

II. Part 2 Proposal Processing

Notifications

Any notification or other written communication from the Procurement Administrator sent by email will be sent to the email addresses provided for the Representative and the Nominee(s). Any such notification or communication will be deemed received by the Bidder at the time of delivery or transmission, provided that when delivery or transmission occurs after 6 PM on a business day or occurs on a day that is not a business day, receipt will be deemed to occur at 9 AM on the following business day. Any communication from the Bidder to the Procurement Administrator by email, for example to advise the Procurement Administrator that the online Part 1 Form has been updated, should be addressed to Illinois-RFP@nera.com to ensure a prompt reply.

Acknowledgment of Receipt

The exclusive method for an Applicant to respond to requirements of the Part 2 Proposal is the use of the online Part 2 Form together with the use of Inserts to the Part 2 Form available as separate Word forms on the procurement website or from the Procurement Administrator. Supporting documents and Inserts may be uploaded to the application website or sent to the Procurement Administrator via email. The Pre-Bid Letter of Credit must be sent through overnight delivery service to each Company for which the Bidder intends to submit Bids. Upon first submission of the online Part 2 Form or supporting documents, the Procurement Administrator acknowledges receipt by email.

Timing of Part 2 Proposal Review

All materials for the Part 2 Proposal, except a Bidder's Bids, must be received by 12 PM (noon) on the Part 2 Date. Bids must be received between 10 AM and 12 PM (noon) on the Bid Date. If a Part 2 Proposal (excluding Bids) arrives before 12 PM (noon) on any day during the Part 2 Window, the Procurement Administrator acknowledges receipt on the day the Part 2 Proposal is received with the results of an initial review. If a Part 2 Proposal (excluding Bids) is received after 12 PM (noon) on any day during the Part 2 Window prior to the Part 2 Date, the Procurement Administrator sends acknowledgement of receipt along with the initial review by 12 PM (noon) of the next business day. The initial review states either that the Part 2 Proposal is complete and is being considered, or the initial review lists items of the Part 2 Proposal that are incomplete or require clarification.

Deficiencies

If the Part 2 Proposal is incomplete or requires clarification, the Procurement Administrator sends a deficiency notice to the Bidder. If a Bidder receives a first deficiency notice from the Procurement Administrator regarding any item of the Part 2 Proposal except for matters related to a Pre-Bid Letter of Credit, the Bidder has until 12 PM (noon) on the Part 2 Date, or until 6 PM on the business day following the business day during which such deficiency notice is sent to the Bidder, whichever comes later, to respond. If a Bidder receives a first deficiency notice from the Procurement Administrator regarding a Pre-Bid Letter of Credit, the Bidder has until 12 PM (noon) on the Part 2 Date, or by 6 PM on the second business day following the business day during which such a first deficiency notice is sent to the Bidder, whichever comes later. In no event will a Bidder be allowed to respond after 1 PM on the Bid Date. If the Bidder does not correct or adequately explain the deficiency within the time allowed, the Part 2 Proposal may be rejected. If the Part 2 Proposal (excluding Bids) is complete, the Procurement Administrator sends a notice that the Part 2 Proposal (excluding Bids) is complete and is being considered.

Late Part 2 Proposals

No late Part 2 Proposals will be accepted under any circumstances.

Bidders Under Agency Agreements

To ensure that all Bidders to the RFP are treated on a fair and equal basis, an entity submitting a Proposal under an Agency Agreement is required to provide additional information.
