

Appendix 4
Supplemental Photovoltaic RFP
Bid Form - General Information
Thursday, November 12, 2015

Template Information:

In addition to this 'General Information' sheet, this Bid Form contains the following two (2) sheets:

- 1) Sub-25 Category Bids
- 2) 25-Plus Category Bids

Bidder Information:

Name of Bidder	
Contact Name	
Phone Number	
Email	

Bidder information is incomplete. All fields are mandatory.

Product Information:

A REC is a Standard REC and represents all environmental attributes for 1 MWh of energy from a renewable source.

There are three (3) different Products, each corresponding to RECs associated with different system sizes.

The three (3) Products are defined below:

1	Sub-25 Product	RECs associated with systems below 25 kW in size. There are two types of Sub-25 Product bids: (i) RECs bid from identified systems; (ii) forecast quantities.
2	25-500 Product	RECs associated with systems 25 kW or over but no larger than 500 kW in size.
3	Over-500 Product	RECs associated with systems over 500 kW but no larger than 2,000 kW in size.

Budget Information

The Procurement Plan specifies a Budget, which is \$10,000,000. The cost of RECs procured through this RFP will not exceed this Budget.

Complete and Sign Certification:

I, _____, certify under penalty of perjury that I am authorized to submit these Bids.

By affixing my electronic signature below I understand and agree to the following: All Bids must remain binding until at least fifteen (15) calendar days after the latest date for a Commission decision on the procurement event. The latest date for a Commission decision on the procurement event is four (4) business days after the Bid Date. Each Bid constitutes a binding and irrevocable offer to supply RECs of a Product at the price provided as the Bid and under the terms of the SPV Contract. If the ICC approves some or all of these Bids, a binding and enforceable obligation arises under the terms of the SPV contract and the Seller will execute the SPV Contract, will submit all necessary supporting documentation, and will provide any necessary deposit, in the timeframe specified by the SPV Contract.

SPV Bids

Notes:

- A Bid is a price per REC for a given identified system or is a price per REC for a block of forecast REC quantity (of systems not yet identified)
- In Section 2, specify the price for RECs from each system in the 'Bid in \$/REC' row
- In Section 3, specify the quantity and price for the forecast quantity in the 'REC Quantity' and 'Bid in \$/REC' rows respectively
- The total number of RECs bid at a given price across both Sections must meet or exceed 500 RECs
- If a Bidder has not bid sufficient systems at a given price to meet the 500 REC minimum bid size, the last row for each system will warn the Bidder
- If a Bidder exceeds the forecast quantity submitted in the Part 1 Proposal, a warning will appear below both sections.
