Posted: March 25, 2016

(Redlines reflect differences between the draft document posted on March 4, 2016 and the final document posted on March 25, 2016 for the Spring 2016 REC RFP)

For any Seller with a Confirmation with a total value of not more than \$100,000, full payment will be made for all RECs Delivered during any Delivery Season on the payment date associated with that Delivery Season.

For any given Delivery Season, the maximum cumulative amount eligible for payment to any Seller with a Confirmation with total value exceeding \$100,000, shall not exceed a maximum of 25% of the contract value times the number of Delivery Seasons passed as of the invoice date. Payment will be limited to the actual, cumulative contract value associated with the Delivered RECs. For example, for an invoice rendered on December 10, 2016, Buyer shall make payments for RECs Delivered or transferred to its PJM EIS GATS, NARR or M RETS account, and for an amount that shall not cause the cumulative payments to Seller to exceed 50% of the contract value.

Each Party will make payments in accordance with invoice instructions by electronic funds transfer, or by other mutually agreed methods, to the account designated on the Cover Sheet. Except as provided in Article 6 with respect to Force Majeure, (a) any failure by Buyer to make a payment or prepayment will not excuse Buyer's performance, and, (b) unless otherwise provided in a Transaction, any failure by Seller to Deliver the quantity agreed to in the Transaction will not excuse Seller's performance. Any undisputed amounts not paid by the due date are delinquent and will accrue interest at the prime lending rate of interest until an Event of Default has been declared, in which case such amounts will bear interest at the prime lending rate of interest plus three percent per annum. A Party may, in good faith, dispute the correctness of any invoice within six months. If an invoice or portion thereof is disputed, the undisputed portion of the invoice must be paid when due, with notice of the objection given to the other Party. Any invoice dispute must be in writing and state the basis for the dispute, which must be in good faith. Subject to Section 5.4, a Party may withhold payment of the disputed amount until two (2) Business Days following the resolution of the dispute, and any amounts not paid when originally due will bear interest at the prime lending rate of interest from the due date as originally invoiced. Inadvertent overpayments will be returned upon request or deducted by the Party receiving such overpayment from subsequent payments, with interest at the prime lending rate of interest from and including the date of such overpayment. Any dispute with respect to an invoice is waived unless the other Party is notified in accordance with this Section within six (6) months after the invoice is rendered. If final resolution of the dispute is not completed within 60 days after notification of the dispute, the Parties shall be free to pursue any available legal or equitable remedy. The Parties will discharge mutual debts

and payment obligations due and owing to each other pursuant to all Transactions through netting, in which case all amounts owed by each Party to the other Party for the purchase and sale of Products, including any related damages calculated, interest, and payments or credits, will be netted so that only the excess amount remaining due shall be paid by the Party who owes it.

3. Article 2: Section 2.3—“Confirmation”.

On any Calculation Date, the “Exposure Amount” for Party B shall be equal to the sum of the Party B’s Exposure to Party A under the Confirmation between Party A and Party B pursuant to the Agreement. 4. Paragraph 4. Delivery of Performance Assurance

Paragraph 4 is replaced in its entirety with the following:

(a) On the Calculation Date that is the Execution Date, the Pledging Party shall Transfer, or cause to be Transferred to the Secured Party, Performance Assurance for the benefit of the Secured Party, having a Collateral Value at least equal to the Pledging Party's Collateral Requirement. Unless otherwise agreed in writing by the Parties, such Performance Assurance shall be provided by the close of business on the Execution Date. Any Letter of Credit or other type of Performance Assurance shall be Transferred to such account (in the case of Performance Assurance consisting of cash) or such address (in the case of Performance Assurance consisting of other than cash) as specified by the Secured Party in the Cover Sheet to the Agreement.

(b) On any other Calculation Date (excluding the Execution Date) on which (1) no Event of Default or Potential Event of Default has occurred and is continuing with respect to the Secured Party, (2) no Early Termination Date has occurred or been designated as a result of an Event of Default with respect to the Secured Party for which there exist any unsatisfied payment Obligations, and (3) the Pledging Party's Collateral Requirement equals or exceeds its Minimum Transfer Amount, after first rounding up to the nearest integer multiple of the Rounding amount, then the Secured Party may demand that the Pledging Party Transfer to the Secured Party, and the Pledging Party shall, after receiving such notice from the Secured Party, Transfer, or cause to be Transferred to the Secured Party, Performance Assurance for the benefit of the Secured Party, having a Collateral Value at least equal to the Pledging Party's Collateral Requirement. In all such cases, the Parties thereafter shall promptly consult with each other in order to

reconcile the two conflicting amounts. If the Parties have not been able to resolve their dispute on or before the second Business Day following the date that the demand is made by the Secured Party, then the Pledging Party shall pay the amount of the Performance Assurance and pursue remedies under the Agreement.

(b) If the Secured Party disputes the amount of Performance Assurance to be reduced by the Pledging Party and such dispute relates to the amount of the Net Exposure claimed by the Secured Party, then the Secured Party shall (i) notify the Pledging Party of the existence and nature of the dispute not later than the Notification Time on the first Business Day following the date that the demand to reduce Performance Assurance is made by the Pledging Party pursuant to Paragraph 5(a), and (ii) effect the reduction of Performance Assurance to or for the benefit of the Pledging Party in an amount equal to the Secured Party's own estimate, made in good faith and in a commercially reasonable manner, of the Pledging Party's Collateral Requirement in accordance with Paragraph 5(a). Credit Rating of Party A/Party A's Guarantor			Party A Maximum Collateral Threshold Amount
S&P	Moody's	Fitch	
A- and above	A3 and above	A- and above	\$2,500,000
BBB+	Baa1	BBB+	\$2,500,000
BBB	Baa2	BBB	\$2,500,000
BBB-	Baa3	BBB-	\$2,500,000
Below BBB-	Below Baa3	Below BBB-	0

If Party A, or its Guarantor, is rated by only one rating agency, that rating will be used. If Party A, or its Guarantor, is rated by only two rating agencies, and the ratings are split, the lower rating will be used. If Party A, or its Guarantor, is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that in the event that the two highest ratings are common, such common rating will be used.

The Maximum Collateral Threshold Amount specified in the table above represents the aggregate unsecured credit that Party A (together with its Affiliates) or its Guarantor, as the case may be, may have under the Agreement. The aggregate unsecured credit that Party A (together with its Affiliates) or its Guarantor, as the case may be, may have under all Supply Contracts (including the Agreement) will be limited by the highest Maximum Collateral Threshold Amount in any Supply Contract of Party A (together with its Affiliates) or its Guarantor. Thus, where Party A or any of its Affiliates is a party to one or more effective Supply Contracts, or where Party A's Guarantor has guaranteed one or more effective Supply Contracts, the amount of available unsecured credit under the Agreement shall be reduced as necessary so that the aggregate unsecured credit that Party A (together with its Affiliates) or its Guarantor, as the case may be, is granted under all Supply Contracts is no higher than the highest Maximum Collateral Threshold specified in any Supply Contracts to which Party A or any of its Affiliates is a Party. If a change in the credit rating of Party A's Guarantor lowers the amount of unsecured collateral it is entitled to under the Agreement, such change in unsecured collateral will be ratably apportioned to all parties supported by the Guarantor. For the sake of clarity and the avoidance of doubt, nothing in the Agreement changes the Maximum Collateral Threshold applicable in other effective Supply Contracts entered into prior to the Agreement, and the amount of available unsecured credit under any such other effective Supply Contract shall be determined in accordance with the terms of that other effective Supply Contract.

Section I, Subsection B is amended by deleting all the language that appears under the heading and replacing it with "Not Applicable."

Section VI, Subsection B is replaced in its entirety with the following:

Party B Eligibility to Hold Cash.

Party B shall not be entitled to hold Performance Assurance in the form of Cash. Performance Assurance in the form of Cash shall be held in a Qualified Institution in accordance with the provisions of Paragraph 6(a)(ii)(B) of the Collateral Annex. Party B shall pay to Party A in accordance with the terms of the Collateral Annex the amount of interest, net of all fees, it receives from the Qualified Institution on any Performance Assurance in the form of Cash posted by Party A. For the sake of clarity and the avoidance of doubt, **Party A shall be responsible for the payment of all fees assessed by the Qualified Institution with respect to Performance Assurance posted by Party A.**

Party B shall be entitled to hold Performance Assurance in the form of Cash provided that the following conditions are satisfied: (1) it is not a Defaulting Party, (2), [Party B][Party B's Guarantor] has a Credit Rating that is investment grade; and (3) Cash shall be held only in any jurisdiction within the United States. To the extent Party B is entitled to hold Cash, the Interest Rate payable to Party A on Cash shall be as selected below:

Party B Interest Rate.

Federal Funds Effective Rate - the rate for that day opposite the caption "Federal Funds (Effective)" as set forth in the weekly statistical release designated as H.15(519), or any successor publication, published by the Board of Governors of the Federal Reserve System.

Other - _____0%_____

Section VIII, General is amended by deleting everything after the first sentence.

9. Schedule 1 and Schedule 1a to the Collateral Annex

Schedule 1 to the Collateral Annex is deleted in its entirety and replaced with the attached Schedule 1a, the Standard Letter of Credit, including Exhibit A, the Letter of Full Transfer.

10. Schedule 2 to the Collateral Annex

The Collateral Annex is amended to include Schedule 2, the Standard Guaranty.

11. Schedule 2B to the Collateral Annex

The Collateral Annex is amended to include Schedule 2B, the Requirements Applicable to Foreign Entities.
