### **Invitation to Comment on the Draft (AIC) Capacity Agreement Procurement of Capacity for the Ameren Illinois Company Portfolio**

#### **Invitation to Comment**

On September 28, 2022, the IPA submitted its Procurement Plan (“Plan”) to the Illinois Commerce Commission (“ICC”) in compliance with Public Act 095-0481 (the “Act”), which includes the Illinois Power Agency Act (“IPA Act”). The ICC issued its Order with regards to the Plan on December 15, 2022. The Plan provides for the procurement of capacity for AIC to satisfy a portion of its forecast requirement for the 2023-2024, 2024-2025 and 2025-2026 Planning Years.

**The Procurement Administrator invites interested parties to submit their comments on the Draft (AIC) Capacity Agreement.**

For the procurement of capacity for AIC, the Procurement Administrator is proposing to use the 2023 AIC capacity contract. The contract form used in Early 2023 Capacity Procurement includes updates to conform with the Federal Energy Regulatory Commission’s order (August 31, 2022) accepting Midcontinent Independent System Operator, Inc’s (“MISO) proposal to replace its annual resource adequacy construct with a seasonal resource adequacy construct.
