Spring 2024-2025	\$41.10	1
Spring 2025-2026	\$48.91	4

This procurement event is for seasonal ZRCs consistent with the order entered by the Federal Energy Regulatory Commission (“FERC”) in Docket Nos. ER22-495-000 and ER22-495-001 on August 31, 2022, which approved revisions to the Midcontinent Independent System Operator, Inc (“MISO”) Open Access Transmission, Energy and Operating Reserve Markets Tariff to establish a seasonal resource adequacy construct. Under the supplier contract, the supplier is paid during the applicable season in the Planning Year only for each seasonal ZRC delivered. The months included in the “Summer” season are June, July, and August. The months included in the “Fall” season are September, October, and November. The months included in the “Winter” season are December, January, and February. The months included in the “Spring” season are March, April, and May.
